Dear Mr. Nelson:

Thank you for your interest in our keypunch services. We are an Independent Data Center, based in Wilmington, Delaware, with branch offices in surrounding areas. At the present, we have available forty-eight keypunches and keyverifiers working on a three shift bases. These machines include the new 029 and 059 models.

We are capable of nationwide coverage and have our own pick-up and delivery service. We would welcome the opportunity to give you our pricing on specific jobs; based on volume and format.

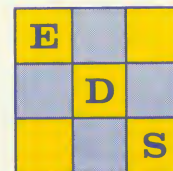

I have enclosed a card for your reference file and look forward to hearing from you.

Very truly yours,

Charles A. Barnes
